Please RSVP to Troy Weber: (815) 931-0436 troy.weber@worldnet.att.net
or Brett Erdmann: (414) 405-6756 brett@midwesthydrofoil.com

FOOD:

There is a small restaurant (Boondock's) at the Mascution launch. Boondock's will provide breakfast and lunch at a discounted price for our group. Please plan accordingly for dinner on an individual basis, as we are not formally organizing the dinner hour. There will be plenty of charcoal grills available for your use. Boondock's is also an option for dinner, as it is open until 9:00 pm.

MORE INFO:

- The majority of attendees will be camping at the Camp Quest Group Site. This site is awesome! We reserved the whole thing.
- The group site has private campsites, electric, water, two big pavillions and a 50cc dirt bike track. (Tentative)
- While all 3 days will have ski boats running, there will also be two pontoon boats on Friday (18th) and Saturday (19th). The pontoon boats will act as a 'watering hole' with bottled water and fruit for everyone. It will also be used as a staging area as needed.
- The West Access boat launch is a free launch. When leaving camp quest, head west (left) towards Clinton on 54. The West Access is only a few miles from Camp Quest. Follow signs to launch.
- Lake Clinton is a power plant lake. The water temp should be between 75-105 degrees, depending where you choose to ride. The lake covers 5000 acres and has a beach.

DIRECTIONS:***FROM ROCKFORD***

Follow 39 South to 51 South. Turn left on Route 54 (East). Continue on route 54 East for approx 10 miles.
Turn right into the Camp Quest Group Campsite. We will have it marked with something, as it's easy to miss.
If you see the power plant on your right, you just missed it.

FROM INDIANAPOLIS

Follow 74 West to Route 54 West. Continue on route 54 West for approx 10 miles.
Turn left into the Camp Quest Group Campsite. A few miles past the Power Plant. (which will be on your left)
We will have it marked with something, as it's easy to miss.

FROM ST LOUIS

Follow 55 North to Route 54 East. Follow Route 54 East for approx 70 miles.
Turn right into the Camp Quest Group Campsite. We will have it marked with something, as it's easy to miss.
If you see the power plant on your right, you just missed it.
